

Basado en el ejercicio de modelaje de escenarios para:

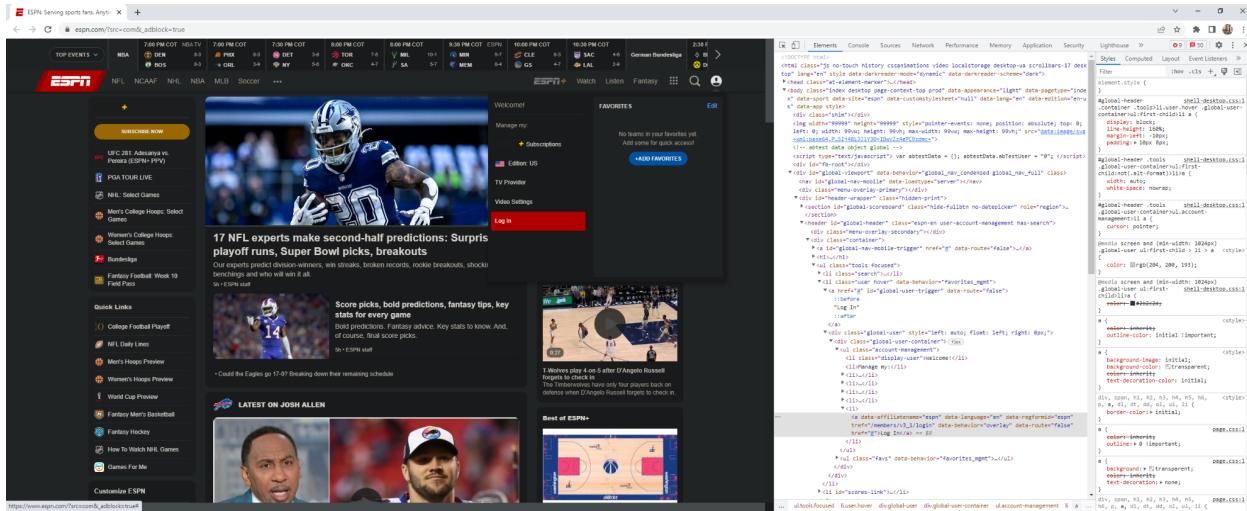

1. Iniciar sesión
2. Cerrar sesión
3. Inhabilitar cuenta

1. Iniciar sesión

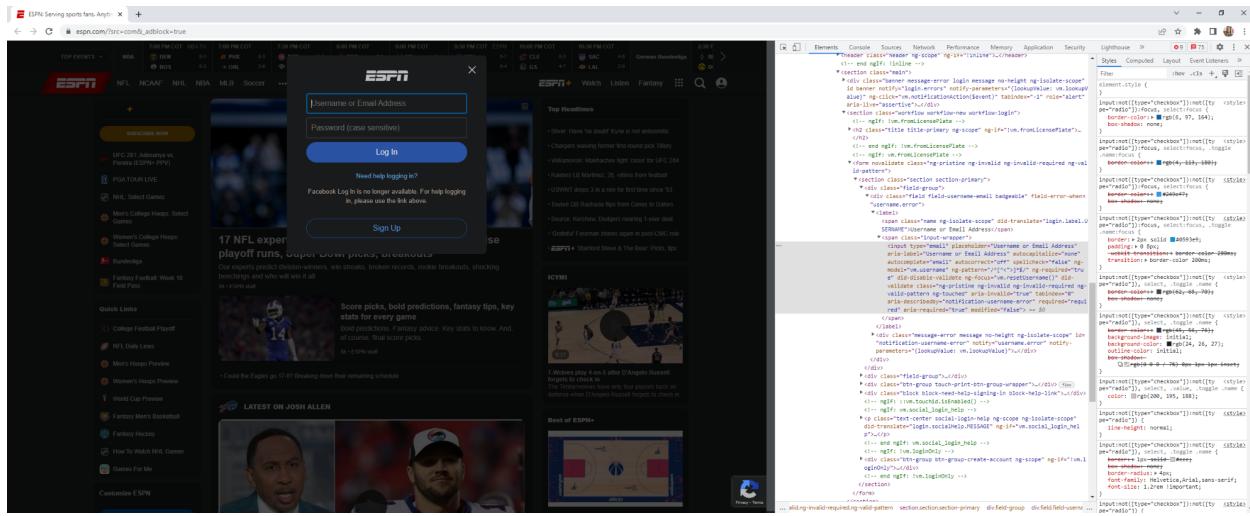

- Clickear en el icono de persona. Selector: #global-user-trigger

- Encontramos el elemento del log in en el menu que se despliega desde el hover. Selector: #global-header > div.container > ul > li.user > div > ul.account-management > li:nth-child(7) > a

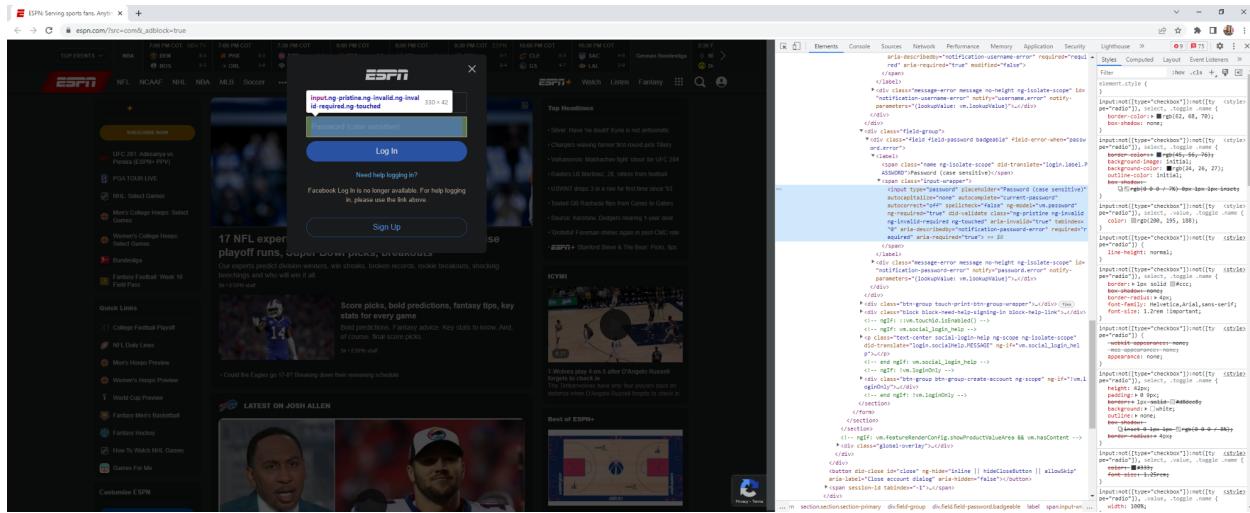

- Login email selector: #did-ui-view > div > section > form > section > div:nth-child(1) > div > label > span.input-wrapper > input

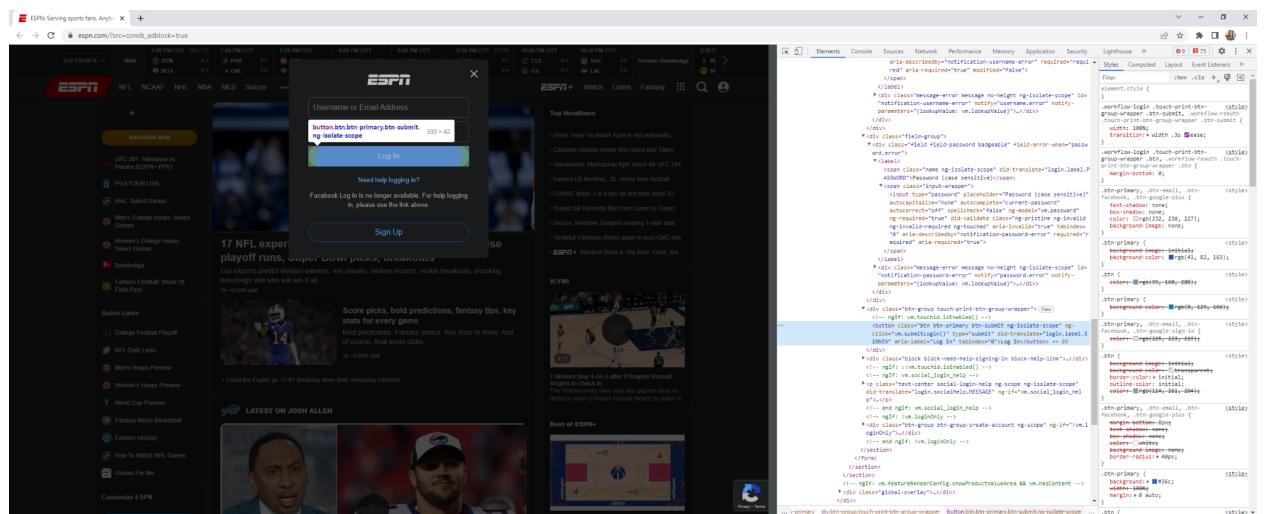

The screenshot shows the ESPN login page. The email input field is highlighted with a red border in the browser's developer tools. The input field has the class "input" and the placeholder "Username or Email Address". The developer tools also show the HTML structure of the form and the CSS styles applied to the input field.

- Login password selector: #did-ui-view > div > section > section > form > section > div:nth-child(2) > div > label > span.input-wrapper > input

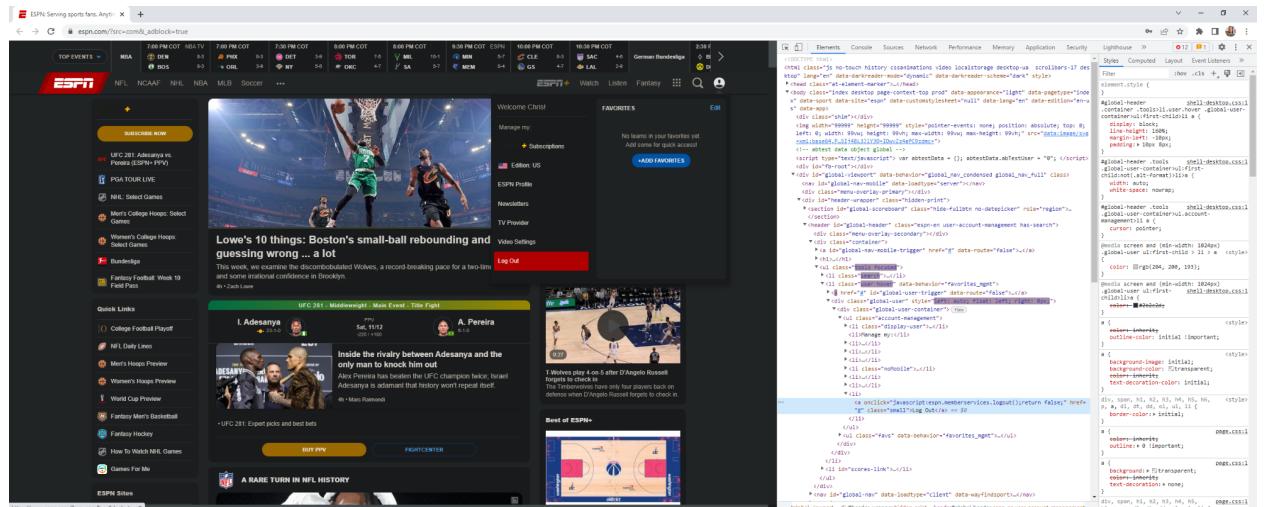

The screenshot shows the ESPN login page. The password input field is highlighted with a red border in the browser's developer tools. The input field has the class "input" and the placeholder "Password (case sensitive)". The developer tools also show the HTML structure of the form and the CSS styles applied to the input field.

- Login button selector: #did-ui-view > div > section > section > form > section > div.btn-group.touch-print-btn-group-wrapper > button

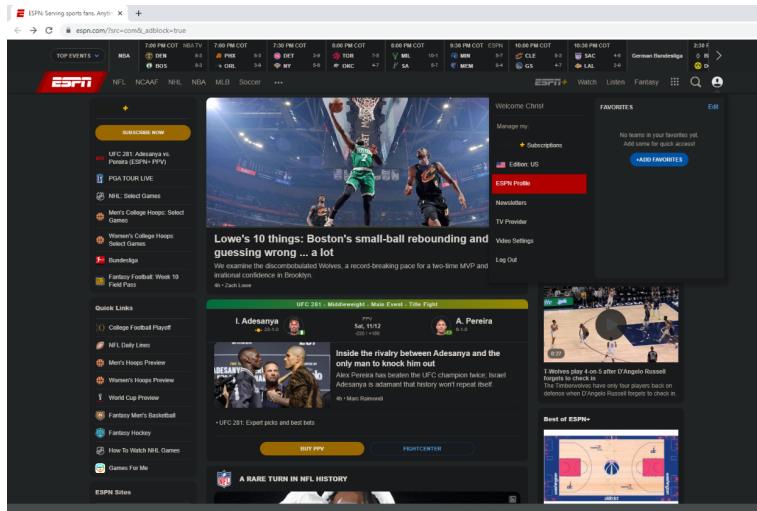

2. Cerrar sesión

- Hacemos click en el icono de persona, igual que en el paso anterior
- Hacemos click en log out. Selector: #global-header > div.container > ul > li.user > div > ul.account-management > li:nth-child(9) > a

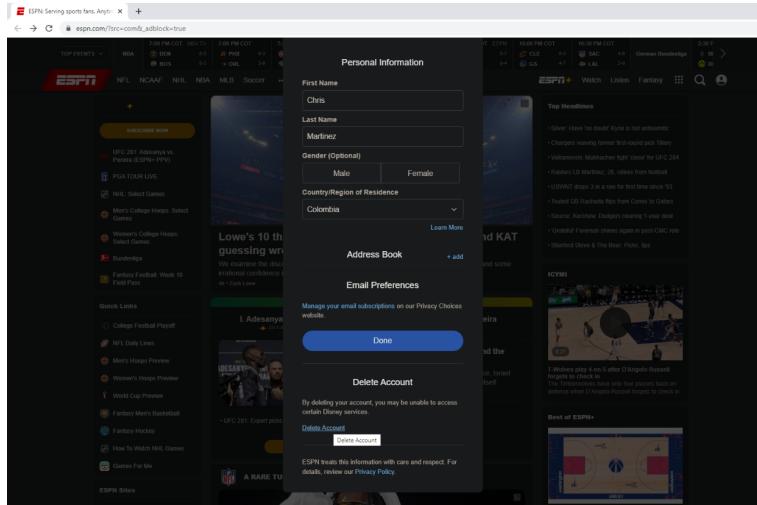

3. Inhabilitar cuenta

- Click en el icono de persona, como en los pasos anteriores
- Click en ESPN profile. Selector: #global-header > div.container > ul > li.user > div > ul.account-management > li:nth-child(5) > a

The screenshot shows the ESPN homepage with the account management menu open. The menu item 'Delete Account' is highlighted with a blue background and white text. The Lighthouse DevTools panel on the right shows the CSS selector for this element: #global-header .user .account-management li:nth-child(5) a.

- Click en Delete Account: #cancel-account

The screenshot shows the 'Personal Information' page with the 'Delete Account' button highlighted. The Lighthouse DevTools panel on the right shows the CSS selector for this element: #cancel-account.

- Confirm account deletion. Selector: #did-ui-view > div > section > section > div.btn-group > button.btn.btn-primary.ng-isolate-scope
